

Sage 50 Accounts Tracker*

Sage 50 Accounts Tracker

Perfect for anyone who needs meaningful business insight on the go, Sage 50 Accounts Tracker tells you how your business is performing from your smartphone.

By cutting out the need to wait for reports or checking back with the office to get up-to-the-minute information, it helps you make quick, confident decisions about your business, by putting the supporting information in your hands.

- **Insight on demand**

Sage 50 Accounts apps work online and offline to give you business information wherever you are at any time.

- **Connect even without coverage**

Get customer and product information even when Sage 50 Accounts isn't running and you have no mobile network coverage.

- **Protected and secure**

Ensure your data is safe and protected with encryption and secure sign in.

- **Data at your fingertips**

Immediately see top level sales, purchases, bank balances and profitability. More detailed understanding of invoices, bank details, reconciled position and profit and loss balances is only a screen tap away.

- **Contacts and directions on demand**

Find customer and supplier contact details, together with a handy map view. Call, email or text without having to switch apps.

- **Keep your eye on cash flow**

See customer and supplier invoice lists, filter by due days, overdue days and value to help you target where you need to chase or make payments.

- **Understand your profits**

Check Profit and Loss balances for the month and year end to date.

- **No expertise necessary**

Quick and simple to set up and use. You don't even have to know how to use Sage 50 Accounts to get the business data you need.

- **Get more done in less time**

Because you can help yourself to the information you need quickly and easily without relying on others to compile reports, you can work more efficiently. And that could mean more time for the important things, like weekends.
